(FIRST SUPERVISORIAL DISTRICT)  
(3-VOTES)**

**SUBJECT**

Recommend approval to award grant funds from the Fish and Wildlife Commission to stock fish at the Santa Fe Dam Recreation Area during calendar year 2016.

**IT IS RECOMMENDED THAT THE BOARD:**

Approve the Fish and Wildlife Propagation Fund Grant request in the amount of \$2,500 to stock fish at the Santa Fe Dam Recreation Area, 15501 East Arrow Highway in Irwindale, on May 27, 2016 for the Moonlight Fishing event, sponsored by the Los Angeles County First Supervisorial District.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Commission has determined that the grant request will promote education, conservation and the propagation of fish and wildlife thus benefiting Los Angeles County and the State of California.

At its meeting held on April 14, 2016, the Los Angeles County Fish and Wildlife Commission approved a grant request from the First Supervisorial District, in the amount of \$2,500 to stock fish for the 11th Annual Moonlight Fishing event to be held at the Santa Fe Dam Recreation Area on May 27, 2016.

The Friends of the Santa Fe Dam Recreation Area Support Group, in conjunction with the San Gabriel Mountains Regional Conservancy, hosts the event to introduce the recreational sport of

fishing to kids who have no prior fishing experience, as well as provide a safe recreational opportunity for families to enjoy.

Since 1952, the Commission has supported activities and projects that promote the best methods for the propagation and protection of fish and wildlife in the State and County of Los Angeles.

The stocking of fish at County parks and recreation areas supports this endeavor by providing opportunities and encouraging the sport of fishing to the many residents within the community.

### **Implementation of Strategic Plan Goals**

The provision of funding for this event is consistent with the County's Strategic Plan Goal Nos. 1 & 3 (Operational Effectiveness & Integrated Services Delivery). In addition to enhancing the community's knowledge and understanding of conservation and the propagation of fish and wildlife, the event will provide a safe and healthy environment increasing accessibility to County cultural, recreational and lifelong learning facilities and programs.

### **FISCAL IMPACT/FINANCING**

There is no impact to the General Fund. The approved expenditure will be charged to the Fish and Wildlife Propagation Fund, which has sufficient funds to cover the cost. The Los Angeles County Fish and Wildlife Propagation Fund is financed from a percentage of penalty assessments collected relating to fish and wildlife code violations in Los Angeles County.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Section 13100 et seq. of the Fish and Wildlife Code establishes guidelines for the expenditure of fines levied for fish and wildlife code violations. It includes enhancing fish and game activities including protection, conservation, propagation, and preservation of fish and wildlife.
